Mrs. Moningka

Classroom Highlights

K-2nd Grade Classroom

We continue our new unit in Science: Life Science. We focused on Animals in the 2nd chapter and had a blast learning about all the wonderful animals God made. We especially enjoyed learning about insects and weird animals.

Your student should be bringing home their 30-day Thankfulness Challenge sheet to complete at home this next week. Please help them continue and complete their challenge and reinforce the gratitude we should focus on each and every day.

3rd-5th Grade Classroom

I am so proud of our class. Every single student made Honor Roll this first quarter! Good job. Next quarter may be a bit more challenging as the content is growing harder. This is a gentle reminder to stay on top of the spelling words, homework, math facts, and reading for 15 minutes. Have a beautiful Thanksgiving with your family, friends, and loved ones. I know I am very grateful for my LNJA family. God bless you all!
Mrs. Moningka

6th-8th Grade Classroom

It was great seeing y'all during our children's church event last weekend, thank you for coming out to support. This week went by so quickly, but it was a lot of fun! We played kahoot! trivia games throughout the week to prep for our tests and I feel our students responded really well. I'm hoping to be able to incorporate them more into our curriculum. For art we started making postcards in acrylic and watercolor to write what we are thankful for during the holidays. I'm already excited to see y'all in the new month and I hope

we all have a great Thanksgiving break!

2024-2025 Chapel Theme & Verse

**Be brave.
Be strong.
Be fearless.
You are never alone!**

Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go.
Joshua 1:9
